EXISTING GAS MAINS

- 1) The information given is believed to be correct and is given without any liability for any misinterpretation or omission thereof.
- 2) There may be deviations from the sources of the data shown and there may be other gas mains and services which are not shown. You are referred to the M&S or any other records to locate the position of the gas mains and services within the community.
- 3) For M&S (P) pipes only, you are not allowed to carry out any field tests or expose the pipes. Please refer to "Notes for Working Near PowerGas Transmission Pipes".
- 4) A report must be made to Scribe Gasworks upon detecting any result of gas or gas pipe and services or within the above-mentioned period.

CONFIDENTIAL

- 1) Information in this report is being disclosed and is intended for use only by the persons named in this report.
- 2) It is not to be used for any other purpose without the prior written consent of PowerGas.
- 3) Do not carry out any field tests or expose the pipes. Please refer to "Notes for Working Near PowerGas Transmission Pipes".
- 4) Call 651 8881/2/3 for further information.
