**EXISTING GAS MAINS**

- 1) The information given is believed to be correct and is given without any liability for errors, mis-statement or omission therein.
- 2) These may be obtained from the survey and details shown and there may also be gas mains and services of which no record is held. You are asked to dig trial holes or carry out tests to locate the position of the gas mains and services before commencing excavating work.
- 3) For 6000 Psi pipeline only, you are not allowed to carry out any trial holes or expose the pipes. Please refer to 'Notes for Working Near PowerGas Transmission Pipeline'.
- 4) Report must be made to Service Engineers, upon identifying any areas of gas or gas pipes and services of which we have no records. Tel: 60616521100.

**CONFIDENTIAL**

- 1) Information in this soil build-up should not be released or recorded to any person other than PowerGas personnel.
- 2) Does not constitute any warranty or responsibility to any person, and is for internal use only.
- 3) Do not carry out any trial holes or expose the pipes. Please refer to 'Notes for Working Near PowerGas Transmission Pipeline'.
- 4) Call 1877 1007 235 for further information.
