Dear Sirs / Madams

CS NOTICE: QUERY RATES ON CADASTRAL JOBS SUBMITTED BY REGISTERED SURVEYORS(MONTH OF FEBRUARY 07)

Please refer to Annex A. The query rate for the month of Feb 2007 is 62.1%.

The substantial increase for Feb 2007 at 62.1% is the highest so far even surpassing January query rate. You know every query saps up both your energy and ours and you also know such time and energy could be channelled to better use somewhere. We hope you can put in more effort to check your jobs before submission. Our aim is to see the query rate drops to 5% and we will work together to achieve this target. We would also like to thank registered surveyor who submit query free job. Keep it up.
