Dear Sirs / Madams

**CS NOTICE: QUERY RATES ON CADASTRAL JOBS SUBMITTED BY REGISTERED SURVEYORS(MONTH OF JUNE 07)**

Please refer to Annex A. The query rate for the month of Jun 2007 is 64.2%.

There is not much improvement in the query rate . We would like to again remind registered surveyors who submit query-prone jobs that they need to put in more effort to carry out their jobs thoroughly and effectively before submission. The objective is to see the query rate drops to 5%. We seek your cooperation to achieve this target. Let us work together to achieve this objective which will be for the benefits of all involved.

To those registered surveyors who submit query-free jobs, we like to thank you very much for the jobs well done and would like to convey our appreciation. Please continue with the good efforts.

Yours faithfully
