Dear Sirs / Madams

CS NOTICE: QUERY RATES ON CADASTRAL JOBS SUBMITTED BY REGISTERED SURVEYORS (MONTH OF NOVEMBER AND DECEMBER 2007)

Please refer to Annex A. The query rates for the months of Nov and Dec 2007 are 74.1% and 68.6% respectively.

2 There is no significant improvement in the query rates. Despite our monthly reminders, the error rates remain very high. We would like to again remind registered surveyors who submit query-prone jobs that they need to put in more effort to carry out their jobs thoroughly and effectively before submission. The objective is to see the query rate drops to 5%.

3 To those registered surveyors who submit query-free jobs, we like to thank you very much for the jobs well done and would like to convey our appreciation. Please continue with the good efforts.

4 As informed in the Sep 2007's query rate CS Notice, we will be initiating the necessary action since the query rates did not improved. We will announce the initiative in due course.

Thank You.

Yours faithfully
