To: All Registered Surveyors

REVAMP OF VERTICAL CONTROL NETWORK

In response to your feedback on the need for more PLBMs, we have completed the revamp of the vertical control network which is now ready for your use. This initiative to serve you better is in line with one of our core values. The revamp involved 415 Precise Level Bench Marks (PLBM). Our actions include re-adjusting and modernizing the whole network, resurveying existing PLBMs and establishing new PLBMs. With this revamp completed, we hope that the new PLBM network will be more helpful to you in conducting your surveys.

2. Effective today, the existing network is replaced with the new PLBM network. Each PLBM marker can be easily identified by the new metal plate bearing 5 digit identification numbers starting from 80000. A sample of the new PLBM marker is at Annex A.

3. The PLBM information is made available for sale in INLIS from today. There is no change to the fee. A sample of the datasheet is at Annex B.

4. Please contact Mr. Mohd Rashid Noor at 64783605 (Rashid_Md_Noor@sla.gov.sg) or Mr. Wong Poh Weng at 64783587 (Wong_Poh_Weng@sla.gov.sg) if you have further enquiry.

**SOH KHENG PENG
