CS CIRCULAR NO. : 8/2011

To: All Registered Surveyors

REQUIREMENT TO SEPARATELY ITEMISE SURVEY FEES AND OTHER FEES

The amount of survey fees payable by a land-owner or developer in the survey of his property comprises the survey fee payable to SLA and other fees payable to the registered surveyor for the professional services rendered on matters related to the cadastral survey.

2. It has come to our attention that some registered surveyors have quoted their clients total lump sums without presenting a breakdown of the fee components.
3. For better accountability and transparency to the clients, registered surveyors shall, with immediate effect, ensure that such fees are separately itemised and notified in their billings or in any other communications with their clients.
