Our Ref: SLA/SVY 161-2003-V2
Date: 1st October 2014
CS Notice Number: 03/2014
To: All Registered Surveyors

Dear Sirs / Madams

IMPLEMENTATION OF ELECTRONIC TRANSMISSION FOR SUBMISSION OF COORDINATES REFINEMENT FROM 1st NOVEMBER 2014

We will be implementing the electronic transmission for submission of refinement via CORENET. Under e-transmission for refinement, the following services will be provided online under JDS Submission on Refinement of Coordinates:

- a) Request for Cassini Certified Plans (CP);
- b) Request for coordinates refinement.

2. The purpose of the implementation is to allow Registered Surveyors to request Cassini CPs and refinement of coordinates via CORENET to provide a seamless service for submissions. This is also to ensure all refinement requests, queries and releases are tracked via JDS similar to Allocation of Lot Numbers, RT, CP and CPST plans submissions.

3. A Refinement_Form.doc will be uploaded into CORENET on **Friday, 31st October 2014** for your completion before submission of refinement requests.

4. You may synchronise your ESPRO **after 6pm on Friday, 31st October 2014** to download the form. In this connection, do note that your submission will not be successful if there is any renaming or change in file name.

5. Please kindly note that no digital signature is required. This submission will take effect **1st November 2014**.

6. You may wish to contact the following if you have any clarification:

- Richard Ho @ 6478 3592;
- Derek Chan @ 6478 3947;
